SALVATION REVIVALS

I came to faith in 1971 during the **Jesus Movement** when our western world and our own Australian society was facing some cataclysmic challenges such as the Vietnam war, the sexual and drug revolutions, and an anti-establishment ethos because of disillusionment with the structures of society, including the church.

The Lord moved sovereignly to draw millions of young people, hippies and other social groups into the church globally. But not all churches welcomed them. Those that did, exploded in spiritual growth and its effects are still being felt today, particularly in music, preaching and church facilities, purpose built for community.

I wrote in my book **Revival is our Middle Name** in 2020 that I sense another move is coming, and we as a CRC movement need to be ready for the influx of people the Lord will bring in. Revival is messy - as occurred during the *Jesus Movement* - and we need to be welcoming of people who have really been burnt by the prevailing culture and broken relationships, who are desperate for a spiritual encounter with Jesus.

There is, like in the 70's, global cultural and political angst and confusion about social roles and divisions in communities breeding fear and anxiety. In the middle of these challenges within society, we see across the western world Gen Z and Gen Alpha - particularly young men aged 18+, flocking into churches and in

Pastor Bill Vasilakis

Australia, church attendance has markedly increased over the past 6 years.

The assassination of **Charlie Kirk**, the number one Christian and social/political influencer among youth and young adults, is an inflexion moment. Charlie's grisly public murder shocked many of us deeply as he was a Pentecostal Christian and an awesome evangelist for Jesus. He was martyred while speaking to thousands of students at a university and it has immediately propelled hundreds of thousands of people, if not millions especially in the USA to flock into churches and purchase Bibles. We are seeing many people in Australia especially young men seeking after Jesus and searching for bible-based churches to attend.

This brilliant and highly popular 31-year-old's brutal killing could be a turning point for a new revival. Though we may have different opinions about some of his political opinions, he was a terrific witness of the good news about Jesus.

Over the next few weeks and months expect many visitors as Jesus **awakens** people to their need of HIM. I encourage all pastors and churches to take a fresh look at their welcoming, connecting and discipling ministries. Churches may need to make some changes to embrace these new hungry seekers the Holy Spirit will draw into our churches.

National Chairman...

CRC DEVELOPMENTS

The CRC is expanding rapidly across the world. Pastor Phil Cayzer, our Australian Missions Director writes, “CRC Australia is active in over 97 nations, with 66 of these experiencing regular disciple-making ministries and local church activity. The remaining nations benefit from short-term ministry and strategic support.”

A NEW MISSIONS FRAMEWORK

We are currently improving the governance structure of CRC Missions to enhance effectiveness and accountability. We have discussed transitioning CRC Missions to operate as a **separate incorporated entity**, establishing a Missions Board, initially composed of the current Australian International Missions Team (AIMT) members. The National Executive will be the accountable body with power to appoint and remove members. Most denominations operate under this type of framework as it provides greater protection regarding funds raised for overseas mission ventures.

“

Over the next few weeks and months expect many visitors as Jesus awakens people to their need of HIM. I encourage all pastors and churches to take a fresh look at their welcoming, connecting and discipling ministries.

”

This will create clearer structural separation between our National Executive Office and our Missions Office. A **draft constitution** will be presented at this year’s National Council, followed by a consultation period for National Council members to ask questions and make comments. Final endorsement is scheduled for the National Council AGM in 2026.

I also want to commend the great work of our Australian Mission’s Office to you. They have recently set up a new system for sending money overseas for mission’s purposes called **StoneX**. This is cheaper, quicker and safer than sending money through banks and it also helps run the administration of our Missions office.

Thanks to the churches that have given to help our Honiara, Solomon Islands CRC Church as our support project for this year.

FROM ‘RETIRED’ MINISTER TO ‘EMERITUS’ MINISTER

We have noted for some time now, ongoing confusion regarding the term “**Retired**” credential, which no longer aligns with legal requirements for ministers who are still active but are not on a paid salary, or leading a church. To address this, we are introducing the concept of an “**Emeritus**” credential. This new title better honours our long standing ordained Pastors as they are spiritual heroes of our denominational family.

CHURCH PLANTING SCHOOL

We are excited to announce the next **Church Planting School (Jan 5th – Jan 8th, 2026)**, which is an important opportunity to equip and train future church planters. Last year’s attendees have either commenced new churches or are in the preparation phase. Participation

National Chairman...

requires the approval of the registrant's Senior Minister and State Chair. We encourage all Senior Ministers of churches to prayerfully consider who would be suitable people to be involved in our next school. Registration details can be found at <https://www.crcaus.com/planting>

HELPFUL GUIDELINES

Our National Executive is aiming to regularly review our policies and guidelines over the next few years and to ensure all our Pastors and Churches are fully aware of their importance and are outworking these wise provisions.

To start this review process we have highlighted three as they are so **topical** at the moment: the *Ministry Code of Ethics*, the *Known Offenders Guideline* and the *Sexual Harassment Policy*. These really important documents are **preventative** rather than **remedial** after an unfortunate event. We would like all CRC Pastors to look over these documents and discuss them with your Church Boards and various ministry teams so they become familiar with the content. If you have any comments or feedback relating to them, please pass this on to your respective State Chair who can refer it back to the National Office.

WORLD PENTECOSTAL CONFERENCE

It was my privilege to attend the Triennial World Pentecostal Conference in **Helsinki, Finland** earlier in the year.

There were over 5,000 delegates from around 100 nations across the world.

I'm so grateful to Jesus we are part of the 700 million strong Pentecostal denominations & charismatic groupings.

The World Pentecostal Conference has a bold faith vision to **'reach every person on earth by 2033'**... 2,000 years after the death, resurrection and ascension of Jesus, the outpouring of the Holy Spirit and the birth of Jesus Church. On present growth projections there will be **1 billion** Pentecostal / Charismatic Christians by 2050

At the last conference (2022) in Seoul Korea I was appointed to be a member of the **Advisory Committee** representing the CRC and Australia's other Pentecostal movements...It's an honour to serve in this capacity.

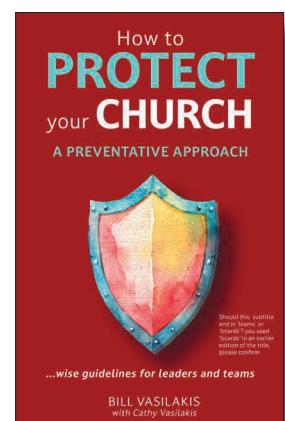

Executive & Advisory Committees of the World Pentecostal Movement.

NEW PUBLICATIONS

I have written two books this year and I'm praying they will prove helpful to our pastors and churches.

I am releasing my newest book, *How to Protect Your Church*. After 47 years of experience leading a church and 35 years as State and National Chairman, I have seen many examples of how

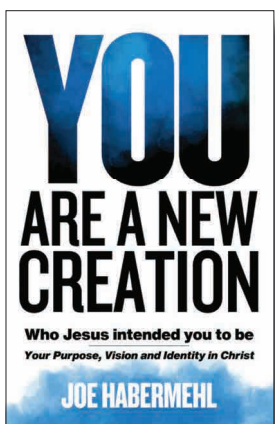

churches can proactively outwork good leadership, team building and governance habits ... and I've seen the terrible consequences of times when they don't. This book shares how churches can wisely plan holy, healthy and productive ministry leadership teams to protect their church. I'm encouraging every Lead Minister of a church to get a copy and then purchase a bundle to share with their Eldership Boards and the leaders they are developing.

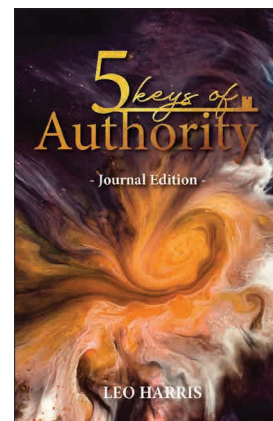

New Beginnings is a new trilogy of books to help pastors and leaders in their discipling of new believers in Jesus. *First Things First* was released at our State Conferences earlier this year and is about the 6

foundational truths outlined in Hebrews 6:1-3. I'm working on *Doing Life God's Way* based on the Lord's prayer and *Born to Grow* centred on Jesus' beatitudes...I hope to have completed them in 2026.

Pastor Joe Habermehl has released a fabulous book called *You are a New Creation* that I encourage all pastors to read.

Pastor Nathan Bettcher has produced a study guide based on Leo Harris's *Five Keys of Authority* that can be facilitated in your small groups. This little book will prove to be a valuable resource for our movement world-wide.

I have been part of the CRC for 54 of our 80 years and I dearly love my spiritual family. Jesus saved me through the ministry of our founder Leo Harris in our mother church and it's been a joy to serve our pastors and churches over the decades. I'm very excited about celebrating our 80th birthday this year as we prepare our hearts for the next 20 years.

VIC & TAS

We had a wonderful conference together at Burnie City Church in May, with around 140 registrations (including 15 kids and teens). It was a great time of growing in relationship with each other and with those stepping into ministry. We were blessed and challenged by Pastor Ken Lee and our other speakers. A huge thanks goes to Pastor Greg Jones, Pastor Hannah House, and the entire Burnie City Church team for the way they hosted and blessed us.

It's been wonderful to hear about our Regional Gatherings and to visit five of our churches' Sunday services over 2025. I believe the health of our churches depends on us being healthy—caring for one another and supporting each other. We can't do this if we're not making gathering together a priority, and I strongly encourage you to do so! We want to encourage every CRC pastor to make conferences and regional gatherings a real priority—for yourselves and for those you can encourage as well.

Our IMPLANT kids and youth leaders training day has gone national and is now helping the entire movement. I want to thank Pastor Chris Davis as he continues to lead our Youth Generations team in Vic-Tas, and also thank Jade La'Brooy, who has stepped back into the role of State Kids Ministry Coordinator in 2025.

The Women's Time Out Camp for womens pastors and ministers' wives has also continued to be great for women in ministry across our movement—both young and old—as they connect and encourage one another. A huge thanks to all involved.

Pastor Andrew Cox

After the success of the one-day CRC Women's Conference in July 2024 in Waurin Ponds, it is happening again in 2026, and we encourage everyone to get involved! Thank you to all who supported the 2024 conference—whether you came, promoted it, or sent women along from your church.

As an Executive, we have identified a strong desire to support our lead pastors more intentionally. We want to provide pastors with opportunities to work through challenges and issues before small matters become big ones. With this in mind, we ran the first of two Pastors Greenhouse groups through 2025. These were two-hour fortnightly sessions on Zoom over 12 weeks, discussing topics such as vision, strategy, personal leadership, community outreach, connection and discipleship, volunteer development, and governance.

We currently have a number of positions vacant in our churches as they look for pastors. You can find out more via the national website: www.crcaus.com/churches#positionsvacant.

I want to say thank you to Pastor Dan Parker, who finished up on our State Executive after many years of serving VIC-TAS on the Executive and as our State Chair. Also, thank you to Anna Wyatt, who continues to be such a resource in her administrative role.

VIC & TAS State Report...

She helps me and the Executive outwork our calling and regularly liaises with Sharon Bradley, who stepped into the national role of General Manager in 2024. A huge thanks to all who have served our state, along with our entire Executive team, in strengthening and equipping our churches and helping new works begin.

Finally, there have been many other exciting things happening. CRC Training continues to prepare people; others are going through the credentialing process; new churches are being planted; and missions and school developments continue to grow as we seek to

State Report SA, NT & WA

It was wonderful to meet together for our CRC SA/NT/WA State Conference in May, on the theme: *Slow Down and Lead*. Our State Exec Team considers it a real privilege to serve our CRC movement over the next two-year term.

Thank you to Joe Habermehl for your fantastic input as SA/NT/WA State

Chairman over the last six years! Joe has kept our eyes on Jesus, sharpened our commitment to loving people well, challenged us to continue living in—and being faithful stewards of—the gospel of grace, and helped us become more intentional about good governance. I'm thankful he remains part of our State Executive Team as Vice Chair going forward.

“
*...working together
with a wise, fun, and
Christlike team—who
passionately love Jesus
and genuinely care for
the CRC pastors, leaders,
and churches of our
State Council—is a joy.*
”

SA, NT & WA State Report...

“

Imagine the exponential impact! Who is the Lord asking you to 'be a Barnabas' for?

”

Thanks also to Mark Bettcher who is continuing on the executive but stepping down from the Vice Chair role. And it's been a pleasure to welcome Jodie Habermehl and Mike Groom onto the team as well.

In fact, working together with a wise, fun, and Christ-like team—who passionately love Jesus and genuinely care for the CRC pastors, leaders, and churches of our State Council—is a joy. Having Josh O'Callaghan and Hans Voortman working alongside our State Exec in their roles as SA/NT/WA Credentialing Team Leader and State Pastor, respectively, is also a real blessing.

There is healthy connection and fellowship, with genuine love and unity happening across our State Council—praise the Lord! I'm thrilled that we have a fruitful and growing Trainee Minister's Development Pathway taking place, and two church plants preparing to launch in early 2026.

As I've been praying for the churches the Lord has called us to shepherd under His leadership—the future churches and apostolic bases Jesus is yet to birth across our States/Territory, the precious people He wants to reach with the gospel as we make disciple-makers, and the servant-hearted, Christlike men, women, boys, and girls He wants to raise for His

Kingdom—I cannot stop thinking about the example of Barnabas (Acts 9:26–28; Acts 11:22–25a).

He not only “saw what the grace of God had done,” but Barnabas also saw opportunities to go and find Saul, and purposefully invested time in him; advocated for and encouraged him; made room for and mentored him. Barnabas even taught alongside Saul for a whole year, and later went on mission trips with him.

I wonder if Saul—the Apostle Paul—would have gone on to be as fruitful in God's Kingdom if Jesus hadn't used Barnabas to give him a go and develop him?

I believe one of the most important things our State Council will contribute to God's Kingdom over the next 12 months will not be something we do, but the someone(s) we help reach with Christ's love—and the someone(s) we help raise to outwork God's call on their lives.

Imagine the exponential impact! Who is the Lord asking you to 'be a Barnabas' for?

State Report

NSW, ACT & QLD

It's my pleasure once again to share about the main highlights and combined activities of our NSW/ACT/QLD CRC churches for 2024/25.

One of the key highlights of the past year has been observing the increasing interaction between our CRC States. This has been primarily evident through the growing joint commitment to our CRC National Strategic Plans—particularly in the areas of Overseas Missions, Ministry and Leadership Training, Generations Initiatives, Evangelism resources, and Church Planting. It's also been encouraging to witness the gracious invitations extended to various State Leaders to cross borders and speak at each other's state conferences over the past few years.

Generations

We are blessed with committed ministry leaders at both the state and national levels, who work together to encourage and equip our churches in the vital areas

of Young Adult, Youth, and Children's Ministry.

In NSW/ACT/QLD, we are very grateful for:

- **Maika Ravitu** (Young Adults)
- **Beka Dennis** (Youth)
- **Jeremy Campbell** (Kids)

These leaders go above and beyond to serve our state churches and leaders, including facilitating the following annual programs:

- **Surge Youth Camp** – Recently held annually in Narrandera, and now expanding to the Sydney region as of January 2026.
- **Best is Better** – A gathering for young adults.
- **Implant Seminar** – An inspirational training event for Young Adult, Youth, and Children's Ministry leaders.
- **Online Resource and Info Forums**

Verity Christian College, linked to our Lifesource Church in Griffith, continues to grow and is being recognised for meeting high academic benchmarks for its students.

Progress is also underway to establish a further campus of Verity Christian College in Leeton, in partnership with our Leeton CRC Church.

Regional Gatherings

We've continued to hold our highly valued regional gatherings as regularly

“

”

as possible across the state. Heartfelt thanks to everyone involved in organising, hosting, and participating in these important moments of connection and support for our pastors and leaders.

State Conference

This year's state conference was held in **Wollongong** and was well attended, with strong representation from CRC pastors and churches across our states.

The theme **“Anointed”** was both timely and well received. It was powerfully spoken into by our key guest speakers, **Pastor Joe Habermehl** and **Pastor Bill Vasilakis**, along with several of our own state pastors.

The worship—coordinated by our amazing muso extraordinaire, Pastor **Dave Dennis**—and the children's program—led by guest ministry couple **Mikaela and Chrioni Geno**—were among the highlights of our time together.

I must also commend and sincerely thank **Pastor Caroline Dennis** for her incredible servant heart and outstanding organisational skills.

State Team

Our **State Executive Team** continues to be a joy to work with, bringing a genuine heart to serve our CRC family. I sincerely thank each of them for another fruitful and positive year.

National Missions

**“Declare his glory among the nations, his
marvellous deeds among all peoples.” –
Psalm 96:3 (NIV)**

It has been a great joy serving with the Australian International Missions Team (AIMT) as we take bold, faith-filled steps toward our shared vision, **“A CRC Presence in Every Nation by 2045.”** The unity of CRC Churches across Australia continues to bear lasting fruit—both locally and globally.

Where We Are Now

CRC Australia is active in over 97 nations, with 66 of these experiencing regular disciple-making ministries and local church activity. The remaining nations benefit from short-term ministry and strategic support.

The International Missions Bible College (IMBC) continues to expand, with over 7,000 students now enrolled. Our partnership with Vision International University (USA) has strengthened our global standing and clearly communicates our CRC identity to leaders joining our worldwide family.

National Prayer & Missions Offering

In 2024, **\$70,000** was raised for the Port Moresby facilities project in PNG, aiding in the training of men and women for ministry.

This year's **National Missions Day Offering** supports the **“Isaiah 58 Solomon Islands Project”**, helping to build a new church and Bible college in Honiara. Materials are in place—we now believe for provision to pour the foundation and raise the structure.

Key 2026 Dates

- **National Day of Prayer & Fasting** – Thursday, 23 July 2026
- **National Missions Day** – Sunday, 26 July 2026

International Leaders Gathering (ILG)

Our Zoom ILG continues to unite leaders globally, share vision, and strengthen our CRC family. The next ILG is scheduled for **Saturday, 1 November 2025 (1:30–5:30 PM AEDT)**. Contact me if you have international CRC leaders to recommend for participation.

Pulse Magazine

Pulse Magazine continues to highlight powerful CRC missions stories. Special thanks to Mikeala Geno for her editorial leadership. Past editions are available online—please consider contributing your church's missions story.

Missions Programs & Resources

We continue to equip all generations for missions through:

National Missions...

- **Kids Can Do Missions 1 & 2** – Four-week children’s ministry programs
- **“Pursuit” Youth Series** – Seven video-based lessons with study guides
- **Young Adults Series** – Based on Papa Barry by Ps. Barry Silverback, with study guides by Ps. Jeremy Steel
- **Pathway to Missions** – Inspiring and equipping many to explore cross-cultural missions

If you need help accessing any of these, visit the CRC Missions website.

Missionary Resettlement Fund

Thank you to the churches contributing to the **Missionary Resettlement Fund**, which supports long-term workers returning home. Contributions can be made during CRC conferences or directly through CRC Missions.

Visiting the Nations

In its second year, **Operation Proclamation** sent five teams to 17 African nations—strengthening churches, officiating IMBC graduations, and encouraging expansion. More teams are planned for **August–September 2026**.

We also thank the many churches currently undertaking short-term trips. If your church hasn’t yet, we encourage you to start planning one!

Funds Transfer Platform

To meet **ACNC External Conduct Standards**, we now use a secure platform offering **7–15% better exchange rates** than banks, allowing fund transfers to over 180 nations. Contact Mikeala Geno to get started.

Governance & Compliance

In response to evolving regulations, and in consultation with legal advisors and other movements, we are planning to incorporate the **CRC Missions Department** as its own entity under the CRC National Executive. This ensures legal compliance, clear accountability, reduced liability and opportunities for future growth (e.g. tax-deductible giving, international registration).

I want to sincerely thank the AIMT members—especially Mikeala Geno—for their excellent financial stewardship. Our strength lies in partnership, accountability, and obedience to God’s call.

Let’s continue to respond to the Great Commission:

International Missions

It is very rewarding to write and share with you some of the good news stories that have taken place in 2025 across several nations.

National Conference and the 35th Anniversary of the CRC in the Philippines

More than 300 delegates attended this three-day event from every province in the nation, coming together in pure worship, dancing, celebration, and honouring all the churches, their pastors, teams, volunteers, and giving thanks to God for all He has done in the movement since its inception. The tremendous contribution of Australian churches, ministries, and missionaries to the development and growth of the CRC throughout the nation was also warmly acknowledged.

The First National Conference in India

This bold venture involved moving a large number of people across vast distances in India. Some 52 pastors, leaders, workers, and students gathered from four different states and from Nepal for two days and

“

It is very encouraging and brings a great sense of pride to see the number of water baptisms that have taken place this year in Papua New Guinea, India, Nepal, the Philippines, and Fiji.

”

three nights of worship, fellowship, and teaching. Each delegate shared and celebrated the wonderful things God is doing, despite the many challenges, opposition, and internal pressures they face daily in such a vast and culturally diverse nation.

Water Baptisms, Evangelism and New Churches

It is very encouraging and brings a great sense of pride to see the number of water baptisms that have taken place this year in Papua New Guinea, India, Nepal, the Philippines, and Fiji.

There is a renewed keenness to evangelise — one-on-one on the streets and through smaller open-air rallies, where still permitted.

There continues to be growth in the planting of new churches, particularly in the rural areas of Papua New Guinea over the last 12 months. New churches have also been planted in the Philippines, Cambodia, Fiji, and Nepal.

Bold Witnessing by Young Indian Believers

It is especially encouraging to see young Indian men and women in their early and mid-twenties boldly sharing the Good News on the streets, one-on-one with all kinds of people. This is particularly notable among the young women, as traditionally they have been restricted from participating in public ministry.

Their compassion in reaching out to displaced persons — particularly the elderly — due to tribal conflict, extreme flooding, and destruction of homes, has been deeply moving. They are providing basic necessities such as food, clothing, shelter, and even biweekly bathing care for the elderly.

Natural disasters and conflicts are affecting people everywhere, and the church continues to be a source of practical and spiritual support.

Training

There is still a strong interest in training. This year, Bethel PNG has the largest

“

Natural disasters and conflicts are affecting people everywhere, and the church continues to be a source of practical and spiritual support.

”

number of enrolled students in its history — 60 full-time, live-in students.

New Missionaries

Bethel PNG is actively training and sending missionaries to overseas mission fields.

Having recovered from the lost momentum during the COVID period — when there were no candidates for missionary training — we are now seeing new movement.

Over the past 12 months, a young woman from Bethel PNG has spent two three-month periods (due to visa restrictions) in a restricted nation and is preparing for a third, completing a total of nine months. Another young woman from Fiji made two visits to another restricted country — one for six months and another for three months.

Zoom Teaching – Overseas Countries

The regular weekly program of Zoom teaching of curriculum subjects in our training schools in India, the Philippines, Fiji, Nepal, and occasionally West Africa continues to be supported by lecturers from Australia, the USA, Fiji, PNG, the Philippines, and Nepal.

Pathways to Missions students and various pastors from several countries continue to visit, teach, and encourage CRC ministries in different fields.

It is great to be alive!

“It’s better to be a live dog than a dead lion.” (Ecclesiastes)

Pastor Jeremy Steel

Pathway to Missions

The *Pathway to Missions* initiative exists to help people on their journey into missions by providing training, equipping, and resourcing at every stage. Everyone is at a different point of engagement with missions, but we believe every follower of Jesus and every church community is called and commissioned to play a part. That involvement looks different for each person and congregation.

Our aim is to inspire, encourage, and facilitate active engagement in missions—whether that be through prayer, support, sending, or going.

One Day Seminars

The one day seminar continues to be the key entry point of connection. In 2025, we gathered in Victoria at Turning Point Church, with strong attendance and an atmosphere of inspiration. We were blessed with input from Pastors Phil and Norma Cayzer, alongside younger voices including Pastor Alyssa Steel, Malachi Hammond, and myself. Together, we saw fresh passion for missions stirred across generations.

Looking ahead, we are excited to announce the 2026 One Day Seminars:

- South Australia – Saturday, 25 July 2026
- Victoria – Saturday, 22 August 2026
- New South Wales – Saturday, 12 September 2026

Two-Day Seminar – South Australia

In addition to the One Day events this year, we also conducted a Two-Day Seminar in South Australia with Pastor Barry Silverback. Though smaller in attendance, it was a powerful time where Pastor Barry shared his heart for the nations, along with remarkable stories from his lifetime of following Christ across the globe. Those who attended testified to the deep impact of his teaching and example.

Missions Exposure Trips

This year, two individuals undertook the option of a six-week Missions Exposure Trip. Unlike a short-term mission trip, these exposure trips connect participants into an established CRC base in another

“

”

Pathway to Missions...

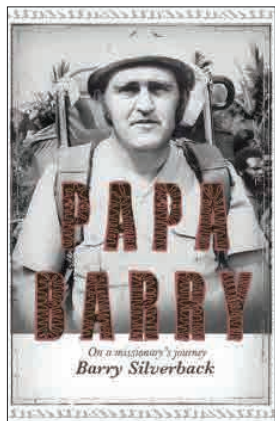

nation, allowing them to experience life cross-culturally and be mentored by a missionary or pastor on the field.

The outcomes have been significant. Participants grow in their understanding of cross-cultural ministry. They develop stronger faith, a clearer sense of God's call and each participant reported the trip as a deeply impacting and life-shaping experience.

We believe this pathway will continue to be a vital tool in preparing future missionaries and mission-hearted leaders.

Resources

The book *Papa Barry* remains an outstanding resource for stirring passion for missions. To maximise its impact, *Pathway to Missions* has developed companion resources:

- **“Pursuit”** – a youth-focused resource.
- **Young Adults Study Guide** – designed for small group discussion.

Both are available through the RevYth and CRC websites, ensuring our younger generations are being discipled with a heart for the nations.

As a movement, CRC Churches International has embraced the big vision of being present in every nation of the world by 2045—our 100th anniversary. Achieving this requires every pastor and church to be intentionally connected with a nation—or nations—in significant ways.

Pathway to Missions exists to serve our denomination in reaching this vision by providing clear, practical, and Spirit-inspired steps for people and churches to engage with the nations.

Together, we will see the Great Commission fulfilled.

Pastor Bill Vasilakis

Church Planting

Planting new churches is central to who we are as a CRC movement. Our State Chairs and I are the action team to facilitate such an important aspect of our Strategic Directions.

It all began with our founder Leo Harris and a handful of people planting our first Australian Church in Adelaide in 1945...80 years ago. Many hundreds of Churches have been planted from that initial seed church, though they are not all in our movement.

Today we have around 140 Churches in Australia and our conservative estimate is well over 1,000 in the nations in which we are pioneering.

We launched our first Church Planting School last January and our second is in 3 months' time, from Monday night January 5th to Thursday night the 8th...Churches have and will be pioneered from the 11 men and women who attended our first one in January, 2025, and from the eager interest shown for our second one.

“

As we embrace the New Testament Church apostolic pattern for revival, the Holy Spirit will open doors and provide in ways we can scarcely imagine.

”

Two new churches will be launched in the greater Adelaide region early next year, and I'm aware of several others being prayerfully planned in our other States.

I believe it is more than possible for all our churches irrespective of their size to directly plant a church in the next 5 years, or to support another church to do it.... What a great faith goal for the glory of God and the extension of Jesus' kingdom across Australia.

I encourage every pastor and church to prioritise church planting by praying, planning and purposefully encouraging and inspiring some of your key leaders to step out and pioneer another congregation...When a parent church supports them like good parents do when their children leave home, and spiritually covers them, it becomes so much easier and fruitful.

CRC family let's rise with fresh vision and expectant faith, and step out trusting Jesus to work miraculously. As we embrace the New Testament Church apostolic pattern for revival, the Holy Spirit will open doors and provide in ways we can scarcely imagine.

Christian Schools

There is a great opportunity before CRC churches to reach and disciple our nation through Christian schools.

We have some very capable church-school organisations that are at the forefront of the Christian school movement in Australia. Adelaide Christian Schools has multiple schools in Australia and Papua New Guinea. They are a leading organisation in Christian education in South Australia.

Portside Christian College (PCC) has purchased land and expanded through a major new building project. This is a response to having limited options due to the lack of available land. The creativity of the leaders has resulted in a wonderful extension to the school. PCC is an excellent school and a beacon for Christ-centred education.

Lighthouse Christian College is a great initiator of new schools. They are currently working with Diggerland Church in establishing a new school in Red Cliffs. They also helped launch Verity Christian College (VCC) in Griffith, which is now operating under its own governance and organisation. VCC has been seeking other opportunities to expand in regional NSW.

The two campuses of Christway College, at Kingston and Wyndham, are growing and healthy. They are now working with a church in regional Victoria to plant a third campus. A new school is currently in development at Warragul, under the governance of Church on Tarwin called 'Aqueous Vitae Grammar' which is expected to open in 2026.

Pastor Dan Parker

Three other CRC churches have incorporated schools into their vision for the future. This is very important and exciting for our strategic directions for 2023–28: **'Each one can plant one'**.

There is a great need for the Church to rise to the challenge of reaching and discipling our communities. Our nation needs Christ-centred education that presents a worldview placing God at the centre of human existence. As a movement, we will do what we can to support our churches that are maintaining a Christian ethos and purpose for their schools. Equally, we will support any of our churches in their endeavour to plant Christian schools in Australia or on the mission field.

Christian education is a central element in reaching our nation for Christ. At the very least, it gives young people a knowledge of God—but more importantly, it creates an opportunity for the revelation and reality of the power of the Gospel to transform their lives.

Christian education is a central element in reaching our nation for Christ.

Training

Once again, it's been an honour to serve the movement in the area of training. Reflecting on 80 years of the CRC, I'm both reminded and awed by the work of the many who have gone before—those who invested countless hours to bring our movement and our Training Department to where they are today. I also remain humbled when I consider those who are coming after us, and our privileged role in training them as the Kingdom of God continues to grow.

2025 has been a great year for Revival College. We have seen an uptake in enrolment numbers, as well as a fresh wave of younger students signing up

”

to study. We also ran a camp in South Australia this year, due to the increased number of SA students. This was an excellent opportunity to hear from some of our South Australian pastors.

Our College team never underestimates the trust our churches and the National Executive have placed in us, and we love meeting and being part of each individual's discipleship journey. The Revival College team is composed of myself, Pastor Mark Walker, and Pastor Bill Lowrey, with additional help from Pastor Joel Justin (camp cook) and Pastor Alyssa Steel (socials).

With increased student numbers, our attention has been focused on Revival College; however, we remain committed to broader training initiatives. The National Training Team meets regularly, has several projects in the pipeline, and is dedicated to facilitating connections to established courses and exploring ways to empower leaders through professional development resources.

As the calendar edges towards 2045, we remain mindful of our church planting and missional goals—and the combined effort required to meet them.

We look forward to continued partnership, as each one teaches one.

Generations

It has been a privilege to witness the growth within our Generations ministry over the past 12 months. Across our churches, we have seen encouraging signs of young people stepping into faith and becoming actively involved in church life, as well as many young leaders pursuing further training and stepping into leadership roles.

Around the world, there is a remarkable surge in youth and young adults turning to Jesus and seeking authentic, life-giving spiritual community. This is an exciting opportunity for us, as a movement, to consider how we can respond to this spiritual hunger within our own local contexts.

As a team, we've continued to focus on building connection among our Generations leaders and creating opportunities to support local churches by equipping their teams in leadership and ministry training.

A key highlight this year has been the continued growth of our CRC National Generations Training Day, Implant. Now in its second year as a national initiative, it was encouraging to see more churches from every state participating, and to witness the meaningful connections formed as a result. We encourage all churches to send their teams or attend in the future to be inspired and equipped for generational ministry.

Across our Kids, Youth, and Young Adult portfolios, our team has also delivered targeted workshops, providing specific training for each area. These sessions were well attended and are available on the National Generations webpage, along with many other helpful resources.

Our core focus remains on supporting local churches in establishing strong

Pastor Jodie Elliott

generational ministry expressions within their communities. To further this mission, we're excited to soon launch several new resources: Kids' Devotional Booklets, a Young Missionary Devotional, and a series of youth-friendly discipleship cards designed to help young people explore the foundations of faith, their identity in Christ, and how to share their testimony.

We are truly witnessing a God-led awakening among young people across the globe. I would love to encourage each local church to consider how you can open the door and create space for young people in your community to encounter Jesus in real and life-changing ways.

I would also love to extend a huge thanks to our amazing National Generations Team, whose experience, leadership, and love for Kids, Youth, and Young Adults is a real asset to our movement.

- Pastor Beka Dennis (Youth)
- Pastor Shian D'Costa (Young Adults)
- Pastor Jess Newman (Training)

And finally, thank you to every person who gives their time and resources to invest in ministry in their local church. Your investment is never wasted.

Evangelism

Jesus is alive and moving in Australia, and the gospel is still God's power to save and transform those who believe!

Secularism promised freedom and self-actualisation, but has left hopelessness, uncertainty, and anxiety in its wake—particularly for our younger generations. A growing meaning crisis in the West has created a deep spiritual hunger for real answers:

“People are... distracted by technology but left feeling hollow once the novelty wears off or addiction sets in. They are confused by the demands of fashioning their own identity when there is no pattern to follow and the rules keep changing. They are made anxious by a culture that demands ideological purity but extends no grace to those who fall short. They are exhausted by the search for a meaning they must invent and a purpose that seems to elude them. People can only take so much.”

—Justin Brierley, *The Surprising Rebirth of Belief in God*

Despite a decline in Christian affiliation, Australians are still turning to Christianity in large numbers. Older generations are turning to Jesus more than we think, and youth are on a quest for meaning (McCrindle, 2025). While regional areas are moving away from Christian identity faster than inner cities, there has been an

increase in the number of 18–25-year-olds—particularly young men—going to church (NCLS).

More than two in five Australians (45%) are extremely or very open to spiritual conversations that involve different views to their own, and one in five Australians (19%) are extremely or significantly open to changing their current religious view (McCrindle, 2025).

Entrusted with the ministry and message of reconciliation (2 Cor 5:11–21)—not just strategies or programs—it's by being Jesus' witnesses and His Church, empowered by the Spirit, that each one can reach one: in our everyday conversations, over meal tables, and while doing life with people. By praying for and walking alongside those in need whom the Lord brings across our path, we follow the example of the early church in the Book of Acts—we get to ‘gossip the gospel’ about our Jesus, wherever we go.

Yes, we must continually rethink our methods and relearn how to communicate cross-culturally so people can truly hear the truth and grace of the Good News of Jesus Christ. But the gospel never grows old! It's the treasure every generation of Jesus' Church must keep, guard, and boldly proclaim.

Our CRC Evangelism Working Group would love to help resource you to expand the local evangelistic potential of your church. I am thrilled that there's been an increase in the number of churches offering Alpha across our movement. It's a fantastic tool to help people explore the big questions of life and faith through authentic relationships. There are resources you can access on our CRC website.

Together, we will once again unite for a **National Day of Prayer and Fasting for Each One to Reach One, on November 1 2025.**

Cass Tompich with Roland Tankard (VIC), Steve Rand (NSW), Tim Coleman (Rural SA).

Administration

This year has marked significant progress in streamlining our core systems and data management processes, with a strong focus on delivering reliable, accurate, and accessible data to support compliance, reporting, and church engagement across our movement.

A key area of improvement has been enhancing the accuracy and usability of data across our systems. Accurate data underpins essential functions such as credential invoicing, church directory updates, website management, annual reporting, and broader communication. To improve efficiency, we have introduced several online forms that allow us to capture information more effectively. These changes will reduce administrative burden and support a coordinated approach to collecting data.

We were also pleased to appoint a dedicated staff member to provide website and technical support. This role is helping to integrate operations across platforms, align our digital infrastructure, and improve accessibility for all users.

A major project this year involved a review of the Childsafe Safety Management Online training system. Feedback received highlighted the need for a clearer, more manageable refresher training experience for credentialed pastors. In response, we have introduced a single-module refresher course for those who have previously completed the full suite of Childsafe training. To further simplify our duty-of-care framework, a new Pastors' Child Safe and Vulnerable People Code of Conduct has been developed. This will now form part of the annual credentialing process, providing a clear and consistent standard that pastors affirm each year.

In line with child safety compliance requirements, we also reviewed all pastors listed as "retired" and found that many remain active in ministry. As a result, we introduced two clearly defined categories of pastoral status:

- Active: Engaged in any ongoing ministry or public representation

Sharon Bradley

- Emeritus: Fully retired, with no ongoing ministerial function

This change ensures that all active pastors, regardless of age or role, meet current child safety and compliance expectations.

To support implementation of Childsafe systems at the local level, we recently launched the Administrators' Community of Practice. This 10-month structured program offers practical support to those responsible for church compliance. Each month, participating churches focus on one key area of compliance, building systems gradually through clear, achievable steps. This initiative reflects our commitment to equipping churches with realistic, scalable approaches to safety and governance.

These improvements are part of a broader commitment to operational excellence, pastoral care, and child safety. Our focus remains on:

- Refining our digital infrastructure
- Supporting pastors and churches with effective, user-friendly systems
- Strengthening trust and transparency in our processes

Special thanks to everyone who contributed to these initiatives—particularly our State Administrators; Thakshila Fernando, for his ongoing support with the Elvanto database; Emma Hura, who manages and integrates our website systems; and May Kirland who does the financial bookwork for National Office and Revival College.

TO THE MEMBERS OF CRC CHURCHES

**Report on the Audit of the Financial
Report**

Opinion

We have audited the financial report of CRC Churches International Australia Incorporated, CRC Missions International, and CRC Training (the association), which comprises the assets and liabilities statement as at 30 June 2025, the income and expenditure statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion, the accompanying financial report presents fairly, in all material respects gives a true and fair view of the

South Australian Act, the financial position of the association as at 30 June 2025 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the South Australian Act.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of the South Australian Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the South Australian Act and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters

From our Auditor...

relating to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related

disclosures made by the committee.

- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

CRC Churches International Australia Inc.

Notes to the Financial Statements

For the Year Ended 30th June 2025

Note 1: Summary of Significant Accounting Policies

(a) Basis of Preparation

This special purpose financial report has been prepared for distribution to the members to fulfil the financial reporting requirements under the CRC Churches International Australia Inc constitution and the Australian Charities and Not-for Profits Commission Act 2012. The board has determined that the entity is not a reporting entity.

CRC Churches International Australia Inc is a not-for-profit entity for the purposes of preparing the financial statements.

The financial report, except for the cash flow information, has been prepared on an accruals basis and is based on the historical costs convention. The amounts presented in the financial statements have been rounded to the nearest dollar. The financial statements are presented in Australian dollars, which is the functional currency of the entity.

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the Australian Charities and Not-for-profits Commission Act 2012, the basis of accounting specified by all Australian Accounting Standards and Interpretations, and the disclosure requirements of Accounting Standards AASB 101: Presentation of Financial Statements, AASB 107: Cash Flow Statements, AASB 108: Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054: Australian Additional Disclosures.

(b) Income Tax

The entity is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(c) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

(e) Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from donors and any outstanding grant receipts. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

CRC Churches International Australia Inc.

Notes to the Financial Statements

For the Year Ended 30th June 2025

(f) Employee Entitlements

Provision is made for the CRC Churches International Australia Inc's liability for employee entitlements arising from services rendered by employees to the end of the reporting year. Employee entitlements expected to be settled within one year, together with entitlements arising from wages & salaries and annual leave, which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable after one year have been measured at the present value of the estimated future cash flows to be made for those entitlements.

(g) Property, Plant and Equipment

Property, Plant and Equipment are brought to account at cost less, where applicable, any accumulated depreciation.

The carrying amount of Plant, Property and Equipment is reviewed annually by the Board to ensure it is not in excess of the future economic benefit of those assets. Individual items of plant and equipment in excess of \$500, which do not constitute a replacement, are capitalised.

Assets are depreciated on a diminishing value basis and the depreciation rates used for each class of depreciable asset are:

CLASS OF ASSET	DEPRECIATION RATE
Furniture	10%-25%
Plant & Equipment	10%-25%
Computer Equipment	50%

(h) Reserves

Reserves for Future Conferences

Funds have been put aside for use towards the annual national conference, and have been preserved for that purpose.

Missions Resettlement Fund

CRC Missions receive funds which are specifically designated to certain missions. These funds are recorded as revenue when received by CRC Missions and are recorded as an expense when the funds are paid to their designated purpose.

Church Planting Funds Held

Funds that are received for church planting are recorded as income when received and as an expense when paid to their designated purpose. Any remaining funds are preserved until spent.
